

THIS COULD BE YOU!

Join us for some great sailing in South Florida!!!

We are excited about the growing interest in 29ers on the East Coast. The fleet is building and South Florida is offering a weekend program for practices beginning in September while adding some high level Clinics in October through December to tune up for the Open Orange Bowl Regatta held at the Coconut Grove Sailing Club on December 27-30.

DON'T MISS THE BOAT!! We have some really favorable rates for Out-of-Towners! You can bring your 29er down (storage is very reasonable at the U.S. Sailing Center), or limited charters (without sails) are available. Sign up for practices and really GOOD clinics with the absolute BEST coaches in the U.S. for 29ers. Get ready for some really awesome rides in a super fun boat.
